The resolutions under items 7 a) – 7 b) below are conditional upon each other and on the registration of the merger by the Swedish Companies Registration Office (the "SCRO"). The resolutions are also conditional upon the meeting adopting the proposed amendment to the articles of association under item 8.

#### *Undertakings and declarations of intent to vote in favor of the proposed resolutions*

Certain large shareholders of ACQ, i.e. Bure Equity AB ("Bure"), AMF Tjänstepension and AMF Fonder, the Fourth Swedish National Pension Fund, SEB-Stiftelsen, and Stefan Persson & family that together hold approximately 58% of the shares and votes in ACQ have undertaken to vote in favor of the proposals for resolutions under items 7 a) and 7 b). Further, SEB Funds and Lannebo Funds, that together hold approximately 9% of the shares and votes in ACQ, have expressed their intention to vote in favor of the same proposals for resolutions.

#### **Item 7 a). Approval of the transaction and the merger plan**

On 19 April, 2023, ACQ and Yubico signed a merger agreement and adopted a joint merger plan to combine ACQ and Yubico (the "Transaction"). Further information on the Transaction and Yubico is provided in the press release that the Company made public on 19 April, 2023, which is available on the Company's website, [www.acq.se](http://www.acq.se). ACQ will also publish an information brochure regarding the Transaction no later than three weeks before the meeting.

#### *Information on conflicts of interest of the board of directors of ACQ*

Patrik Tigerschiöld and Sarah McPhee, board members of ACQ, have assessed that they have a conflict of interest in relation to the Transaction since they are board members in Bure, which is one of the largest shareholders in Yubico. ACQ's current CEO, Henrik Blomquist, has assessed that he has a conflict of interest in relation to the Transaction due to his position as CEO of Bure. None of Patrik Tigerschiöld, Sarah McPhee or Henrik Blomquist have participated in the board of directors' resolutions to approve the Transaction or enter into the merger plan and the merger agreement, nor have they participated in the board of directors' deliberations regarding such resolutions.

Board members Caroline af Ugglas, Katarina Bonde and Eola Änggård Runsten, are not conflicted in relation to the Transaction, and are independent in relation to ACQ and ACQ's management.

References to the board of directors under this agenda item 7 a) and agenda item 7 b) refer to the members of the board of directors who participated in the presentation of the proposed resolution.

#### *The merger plan*

The board of directors of ACQ and Yubico have jointly adopted a merger plan dated 19 April, 2023 (the "Merger Plan"). The Merger Plan was registered with the SCRO on 27 April, 2023 and the registration was announced on 2 May, 2023.

According to the Merger Plan, the merger shall take place by absorption, with ACQ as acquiring company and Yubico as transferring company. The exchange ratio for the merger consideration has been determined according to what is stated below in item 7 b).

Registration of the merger with the SCRO is subject to the conditions set out in the Merger Plan, including that the extraordinary general meetings of both ACQ and Yubico approve the Merger Plan, including approval by the shareholders of ACQ of the issuance of the shares that will form part of the share consideration in the merger.

The merger is expected to be registered with the SCRO during the third quarter of 2023, and has the effect of dissolving Yubico, whereby all Yubico's assets and liabilities will be transferred to ACQ.

#### **Item 7 b). Issue of shares as part of merger consideration**

In view of the proposed merger between ACQ and Yubico, the board of directors proposes that the meeting resolves on an issue of a maximum of 51,759,560 new shares in ACQ which constitutes the share consideration in the merger in accordance with the terms and conditions specified below (the "Issue").<sup>1</sup> Through the Issue, ACQ's share capital will increase by a maximum of SEK 129,398,900 to a total of a maximum of SEK 216,898,900. The premium shall be allocated to the free share premium reserve.

According to the Merger Plan, which was jointly adopted by the board of directors of ACQ and Yubico on 19 April, 2023, the exchange ratio for the merger consideration has been determined so that in respect of 58<sup>2</sup> percent of the number of Yubico shares held by a shareholder, 2.9 ACQ shares per each 0.58<sup>3</sup> Yubico share will be paid (the "Share Consideration"), and in respect of 42<sup>4</sup> percent of the number of Yubico shares held by a shareholder, SEK 208.0 per each 0.42<sup>5</sup> Yubico share will be paid (the "Cash Consideration" and jointly with the Share Consideration, the "Merger Consideration"), in each case subject to the provisions of section 3 in the Merger Plan. This means that for every 10 Yubico shares held by an eligible shareholder, such shareholder will receive 29 ACQ shares and SEK 2,080.<sup>6</sup> For the avoidance of doubt, the Share Consideration shall always represent more than 50 percent of the aggregate value of the Merger Consideration.

Entitled to receive the newly issued shares, in accordance with the exchange ratio stated above, are the shareholders registered in Yubico's share register as of the date of the SCRO's registration of the merger

---

1 The maximum number of shares presumes, *inter alia*, that all outstanding and, at the time of completion of the Transaction, vested warrants in Yubico are exercised prior to the completion of the Transaction.

2 Exact percentage being 57.866%.

3 Exact number being 0.57866 Yubico share.

4 Exact percentage being 42.134%.

5 Exact number being 0.42134 Yubico share.

6 The numbers have been rounded, the complete numbers are as follows. 2.897 ACQ shares will be received for each 0.57866 Yubico share in respect of 57.866% of the total number of Yubico shares held by each shareholder, and SEK 208.000 will be received for each 0.42134 Yubico share, in respect of 42.134% of the total number of Yubico shares held by each shareholder.

except for certain foreign shareholders in Yubico who are not entitled to receive shares due to applicable securities legislation, according to what is further stated in the Merger Plan. The reason for the deviation from the shareholders' preferential rights is that the newly issued shares shall constitute the Share Consideration in the merger.

The shares in ACQ that are issued as Share Consideration shall carry rights to dividend for the first time on the record date that occurs following the date that the shares have been registered with the SCRO.

The resolution is conditional upon the registration of the merger by the SCRO and that this occurs no later than 31 October, 2023.
